Since 2006, Nelson Pope & Voorhis has provided environmental and planning consulting services to the Village of Southampton. NP&V provides consulting services for all Southampton Village Boards (Trustees, Zoning and Planning) and is involved in review of projects involving variance relief, wetlands and coastal applications, subdivision review, site plan review, SEQRA administration, and design consulting. NP&V provides special environmental, planning and feasibility studies as needed and is assisting with downtown revitalization, maximizing parking and aesthetic improvements.

NP&V acts as planning and environmental review staff, preparing staff reports, GIS resource mapping, provides guidance for SEQRA compliance, coordinates with applicants and involved agencies, prepares resolutions and decision documents and is responsible for presentation of project reviews and reports to the Village Boards.
