As a discipline, environmental, ecological and landscape design encompass the analysis, planning, design management and stewardship of the natural and built environments. We are pleased to offer our experience in:

- Master plan, streetscape and public spaces;
- Residential, commercial and institutional landscape design
- Parks and Urban design; trails and open space;
- Transportation corridors
- Environmental remediation and reclamation;
- Preservation and restoration of urban, suburban, and rural habitats and natural areas;

Examples of projects designed by NP&V and currently installed include:

- Cheesecake Factory, Smith Haven Mall, Lake Grove, NY-Commercial landscape design (Vegetated Roof)
- Water's Edge, Port Jefferson, NY- Commercial landscape design
- Brookhaven Memorial Hospital, Brookhaven, NY- Institutional landscape design
- Park Row Townhomes, Islip, NY- Residential landscape design
- Manorhaven Nature Preserve, Village of Manorhaven, NY- Preliminary Landscape Design and Habitat Restoration Plan (design phase)
- California Beach, Poquott, NY—Stormwater detention and shoreline improvement design
